

**Pennsylvania Chapter, American Academy of Pediatrics**

**Strategic Planning**

**Priority Goal Areas            2012 – 2014**

- Goal #1:     Assure access to quality health care services for all PA children
- Goal #2:     Support members with effective practice education and management services.
- Goal #3:     Proactively involve the PA Chapter in cutting-edge health care initiatives such as NCQA-Patient Centered Medical Home certification, HITECH/EHR/Meaningful Use roll-out, state CHIPRA grant, PPACA implementation at the state level.
- Goal #4:     Improve payment for pediatric services
